Dear Readers

Greetings!

It is with utmost pleasure and gratification that I present to you the latest edition of our Newsletter. It gives me immense pride in showcasing the remarkable achievements of our students in diverse fields. Our unwavering focus on values and holistic development has yielded fruitful results, and we are thrilled to share the news of our students' accomplishments in academics, sports, external exams, and cultural activities.

Our students have made us proud by excelling in academics. Their tenacity and hard work have culminated in exemplary results in the CBSE board exams. The tireless dedication of our faculty members has undoubtedly played a significant role in shaping the future of our students.

I am equally thrilled to highlight the accomplishments of our sports teams, who have brought laurels to our school by winning several competitions at the National and State levels. Our students have exhibited exceptional skills and sportsmanship in various sports, including badminton, chess, lawn tennis, swimming, judo, skating, rifle-shooting, karate, and cricket. Their unwavering passion and commitment to sports are commendable and inspire us all.

Our students have also demonstrated their talent and excellence in external exams. Ananya Shrivastava has secured International Rank 7 in Indian Space Olympiad Exam. Akshay Kumar emerged as the runner up in National Convention of Scientific Research, Science Fair. Adit Singh won the Inspire Award; he is among the top 60 students of the country and got the unique opportunity to meet the Hon'ble President at Rashtrapathi Bhavan on 10th April '23. Anushk Singh and Aradhita Arvelli will represent India at the International level in Rochester Institute of Technology, New York, U.S in June '23. Ishita Jain of class XI has won a Silver Medal in CBSE National Badminton

Lastly, we would like to emphasize the importance of cultural activities in our school's overall development. Our students have participated in various cultural events and competitions, showcasing their talents in music, dance, and drama. Such activities are crucial in fostering creativity, teamwork, and communication skills.

In conclusion, we extend our heartfelt gratitude to our students, parents, and faculty members for their unwavering support in helping us achieve our goals. I have every confidence that our students will continue to thrive and succeed in all their future endeavors. We eagerly look forward to sharing more such remarkable achievements in the future.

With utmost esteem and warm regards,

*Raghunath Mukherjee

Events Update

Story Telling Using Puppets

Our little narrators narrated stupendous stories on varied themes with their beautiful puppets. It was a great learning experience for the children.

December to Remember Activity

The spirit of sharing and caring was inculcated among children on the special occasion of Christmas. The children were acquainted with the birth of the Lord Jesus through a skit enacted by the teachers. The boundless joy was clearly visible on the faces of our endearing tiny tots when Santa Claus moved around and distributed sweets to them. The little angels danced their hearts out to joyful tunes.

Happy Harvest Activity

To celebrate the beginning of Harvest Season, the kindergarteners visited DPS, NAVA RAIPUR to explore the different hues of harvest festivals, cultures and traditions of various states with zest and fervour. The children enjoyed delectable delicacies from various states of India from the food kiosk.

Hindi Handwriting Competition

Handwriting is the mirror of knowledge. The students participated in this competition with a lot of enthusiasm. It provided a platform for the children to exhibit their writing competency and develop their fine motor skills. The competition brought out the best in the young participants, who displayed excellent handwriting prowess. Overall, the handwriting contest was a great success, and it was wonderful to see the kids showcasing their writing abilities with pride and confidence.

Hail Our Republic Activity

To mark the importance of this day, our tiny patriots enthusiastically created many masterpieces using the tri hues of patriotism. The students were briefed about the significance of each colour of the Tiranga.

'I Aspire to Be' Competition

The competition provided students an opportunity to showcase their articulation. The talented tiny tots dressed up as their role models, spoke conventionally and enthralled everyone.

Graduation Day

Graduation Day Ceremony was held for the kindergarten kids to acknowledge their perceptive march towards sound credence of knowledge in the years to come. Parents and guardians gathered to witness their tiny tots unfolding their sojourn of learning with the Hon'ble Chief Guest, Dr. Bhawna Sirohi, Medical Director and Senior Medical Oncologist at Balco, Raipur.

A graceful welcome dance recital along with floral felicitation to the distinguished guests earmarked the event's exciting commencement.

Proceeding further, the preschool kids, exquisitely clad in ethnic as well as contemporary dresses, mesmerized the audience with their cultural cavalcade kicking off from Bhakti dance to classical dance 'Mohiniyattam' and Punjabi folk dance, 'Gidda.' Adding flavour to this panoramic potpourri was 'Howdy Cowboy,' another engrossing dance portraying American culture. Then unfolded a hilarious 'Clown dance' followed by maestros playing and singing their way into the hearts of the audience. The Yoga performers exhibited their belief in 'precaution is better than cure'.

Finally, the children climbed onto the dais in their graduation attire, complete with gown and cap, and were conferred with Certificates of Graduation.

National Girl Child's Day

"When girls are educated, their countries become stronger and more prosperous." -Michelle Obama

'Beti Bachao Beti Padhao' and 'Save the Girl Child' were the slogans that reverberated on the occasion of National Girl Child's Day. DPS, Raipur observed National Girl Child's Day on 24th January to bolster awareness of the disparities confronted by girls and to promote awareness about the rights of the girl child. The day was typified by an array of activities for the students with the aim to increase consciousness about the priority of empowering girls and advocating gender equality. The pupils avidly participated and inculcated the intent behind celebrating National Girl Child's Day.

Freehand Drawing Competition

Free hand drawing competitions are a great way to showcase artistic talent and creativity. To offer a platform for our young artists to express their thoughts, ideas, and emotions through their drawings, an art competition was organized in the school premises to divulge the innate talent for art in children. The students of classes I and II exuberantly partook in the competition and augmented their creativity, resulting in a fierce but friendly rivalry among them, thereby developing a healthy competitive spirit.

Christmas Day Celebration

‘Christmas Day’ was celebrated in the school premises with all solemnity and grandeur. The festival fervour warmed up the chilly morning as the teachers and the students came together to have fun and celebrate the day in a spirit of joy and goodwill. Soaked in festivity, the audience was captivated by Christmas carols, dance and Christmas songs that left them bedazzled.

“Nature is our Treasure” - Class Assembly

It’s not yours, not mine, it’s ours. So, protect our mother, who nourishes us.

“Nature is our treasure” was the theme of the special assembly conducted by the students of class III because, as stewards of the Earth, it is our responsibility to protect and preserve nature for future generations to enjoy. The value of keeping mother nature impregnable was portrayed through dance, song, yoga, and dance drama. The assembly fostered the spirit of group activity, leadership, and value-building.

Best Out of Waste

Originative hands and imaginative minds were synchronized in a creative burst of energy during the “Best Out of Waste” competition held on the school premises. The competition focused on cognizing the children about the art of upcycling, which involves creating useful objects out of discarded materials, and is gaining traction as a means of reducing waste. The youngsters displayed their ingenuity, creativity, and resourcefulness to transform refuse into something of value using materials like newspapers, old CDs, plastic bottles, ropes, ice-cream

sticks, bangles and shoe boxes. The competition focused on developing love and regard among the children for their environs.

Cultural Assembly

In one of the most awaited thoroughfares at the school campus - the credulous association was overwhelmed by the awe-inspiring performances of the budding artists. The students were spellbound witnessing the cultural pageantry which kept on unfolding in a synchronized mode right through the day. The young performers displayed enthralling performances in the form of Nukkad Natak, Yoga, Group Dance and Dance Drama.

Field trip to "Water Purification Plant"

The students endeavoured an educational trip to "Water Purification Plant" initiated by the EVS department. The purpose of the visit was to enable experiential learning about how raw water is treated through ultraviolet rays. The learners were already well equipped with prior knowledge of the different units of water treatment plant and detailed process of filtration to purify raw water. They were benefitted with the conceptualization of equitable distribution and packaging of recent vintage.

National Mathematics Day

National Mathematics Day was celebrated on 22nd December 2022 to commemorate the birth anniversary of the great Indian Mathematician 'Srinivasa Ramanujan'. Harnessing the opportunity to uphold the essential role that Mathematics and Mathematics education play in breakthroughs in science and technology and improving the quality of life, the day was celebrated by students of primary classes to shed light on the connections between Mathematics and diverse fields, concepts, and ideas.

Various competitions were conducted for classes VI to VIII, like Making of 3-D shapes, Geometrical Rangolis, use of Sutras in calculation (Vedic Mathematics). Prizes in each category were given section-wise. Trophies and Certificates were given by the Vice Principal.

Energy Conservation Day

Aspiring to spread community learning, and generate awareness about conserving energy, 'Energy Conservation Day' was celebrated with ultimate sincerity. The buoyant students marched through the school proclaiming slogans of energy conservation and reminding everyone that we can no longer go easy with our dwindling energy sources, undoubtedly rendering preservation of energy imperative. The young scholars initiated a noble endeavour to save mankind from a dark future.

Enthusia

The kaleidoscopic display of the students of 'Personality Development Clubs' transfixed the audience. The club functions with the aim to develop the imaginative faculties of students by giving wings to their ideas, free expression and skills through various undertakings. Its intricate agenda includes a variety of activities aimed at building up confidence and grooming talents. The activities of this club are planned to augment the output of the members of the club thereby imparting these values to the student community as a whole. Thus, the club is poised to furnish the talents with a cutting edge.

Yoga Competition

'Yoga is the best way to explore yourself.' On this regard, there was a spectacular display of talent, confidence, strength and flexibility by the yoga performers which left the students and teachers spellbound. The enthusiasts were adjudged based on different yardsticks. The physical and spiritual prowess of the performers were lauded and rooted by the viewers.

Poem Recitation

The fervour of the cute poets of Poem Competition spread the fragrance of poetry among the audience through their poetic expressions. The sonorous recitals enchanted the admirers such that they were transported to a different realm by its viewless wings embedded with vocal expression.

Dance Competition

The rock stars of classes III to V bedazzled the audience with their magical moves. Their scintillating performances one after the other, set the stage on fire and kept the audience glued to their seats. The choreographies were astounding, and the entire audience was stunned to see these little kids perform with such confidence and poise.

G.K and Mental Maths (Second Round)

G.K and Mental Maths test was organized for the students to sharpen their mental acuity and provided a platform for recognition and appreciation of academic excellence. The competition fostered healthy competition, bestowing greater confidence in them and broadening their horizons.

Veer Bal Diwas

Veer Bal Diwas was celebrated on 26th December. The students were acquainted with the history of country. The young children were informed about the story of the exemplary courage of the Sahibzades through a movie. The students got a chance to recognize and acknowledge the life story and sacrifice of the Sahibzades.

Butterfly Garden

The plantation drive held in school was an initiative towards creating a greener and cleaner environment. Students, teachers and staff came together to plant saplings and create a small garden within the school premises. The drive aimed to sensitize the young minds towards environmental conservation and improve ecosystemic determinants by planting more and more trees and plants, simultaneously attracting butterflies and enhancing the beauty and balance of environment.

Olympiad Champion, Ananya

Ananya Shrivastava (IX) registered a brilliant performance at the Indian Space Science Olympiad-2021 by clinching a gold medal in the senior category. A Nutonic Parabolic telescope worth 10 lakh rupees was also awarded to her.

National 'INSPIRE' Winner

MANAK or Million Minds Augmenting National Aspirations and Knowledge, INSPIRE AWARDS (Innovation in Science Pursuits for Inspired Research) scheme is one of the flagship programs in which Adit Singh (VIII) was irrefutably declared a national winner for his innovative idea on making a biodegradable natural sweetener coated cup with embedded immune-booster herb mixture or an appealing 'Kadha' that can be used as a preventive measure against COVID-19. This has also availed him the opportunity to meet the Honorable President of India on 10th April 2023 and go on an educational trip to Japan which is being sponsored by Department of Science and Technology, Government of India.

Cyber Security Awareness Workshop

Cocooned to emerge as savvy IT (Information technology) users, students are prone to cyber-attacks. Hence, a workshop was organized for senior students of class IX in the school auditorium on 16th August 2022. The workshop aimed to exchange experiences and expertise on cyber security awareness. The main moderator, Mr. Siraj Khan along with his associates showcased different awareness campaign projects, materials, and toolkits. They discussed the challenges, best practices and lessons learnt from the perspective of their organization and risk management. They emphasized utilizing data-driven actions to manage human risks.

Scottish Teacher Interact

Mr. Niall Moorjani, a teacher from Scotland, was invited to interact with students of middle school and high school. During his stay at DPS, Mr. Moorjani took up story telling sessions which gave an insight into narrating with expression and style. He also told them about the nuances of activity-based classes and the significance of participation of each student in practical classes. Further, he took up various historical aspects with the senior students of Humanities stream which was quite enlightening. Apart from teaching, Mr. Moorjani also witnessed and praised the efforts of the primary students in showcasing their concern over the ailing environment through their models and paper presentation.

SWEAR (Society Welfare Encouragement Association Revamp)

Society Welfare Encouragement Association Revamp is an NGO initiated by the innovative and empathetic students and serves as a medium of transformation and augmentation of the neighbouring communities. An enlightening workshop was organized for class tenth and twelfth students at the Government Higher Secondary School, Trimurti Nagar. The workshop covered topics such as time management, writing skills, and other useful information and tips needed to excel in exams. A fine-arts workshop was also organized for students at the Government Primary School, Nardaha. The students were also given tips to prepare for the exams. The members of SWEAR also distributed clothes to the poor and needy people of the neighbouring village.

Activities of the Eco-Club

There is no Planet B: A poster making activity was organized where students showcased their perceptions about 'Save Environment' through their creativity over canvas. The students painted their perceptions on paper about saving the Planet Earth from pollution and other damages.

Save Soil and Plantation Drive: The students played the role of green warriors and planted several saplings in the school complex and took an oath to grow more trees and encourage their friends and family to do the same.

Earth Hour: Earth hour was celebrated from 8.30 PM to 9.30 PM on 25th March 2023 by Dpsian family with great zeal and gusto. By switching off the lights and all possible electronic gadgets of their home, the students

and the teachers pledged to work together to secure a brighter future for people and the planet.

Christmas Celebration

Various facets of education came alive as the senior wing of the school, imbued with ethereal excitement indulged in the celebration of Christmas on 24th December in the school auditorium.

In a week's time, the English department and the students replicated a carnival. Children were organized into groups so that maximum students would be able to contribute according to their skills and interest. Wonderful posters with Santa Claus and his bounty of gifts, streamers, stars, bells, and other decorative items started pouring in. Some sculpted a manger out of recycled waste others went into the classes singing Christmas carols, yet others put up an act to showcase 'Charity as the true spirit of Christmas.' Some children performed group dance and some minstrelled away carols. The teachers distributed sweets to shower their blessings and good wishes.

Trust Your Dream

*You may have a distant dream,
Thinking about which makes your eyes a gleam.
To make it happen true,
Some things you need to know and do.*

*Knowledge first you have to gain,
To take the first step to your dream domain.
To make your dream truly realise,
Passion is the fire you require high.*

*When face challenges in your way
Don't fret about the problem or blame past, nay!
Instead look deep and discover the bug in the code,
Accomplish it and continue on the road.*

*You might get hindered in view of the matter at stake.
Believe in your dream; don't let your conviction shake.
I say, be sure, if it's really your chance,
Take it, as a one-time game, give your best and play and prance!*

*Persevere, until you reach your destination,
Then you will finally achieve your aspiration.
Now, when you look back and see the hills you summited with grit,
You would know for sure the struggle and labour were worth it!*

Time

*It is only on the clocks.
But has value of more than this.
Such a small word.
But has the power to make or break someone.*

*This pendulum of clock starts ticking again not stopping forever.
Ages and ages passed, but this never stopped.*

*If walked holding hands with it,
It will treat you as a friend.
So, just don't stop.*

*Just walk and walk.
Don't see the past!
Make it your friend.*

अनुभूति:

हिंदी ने अपनी विकास यात्रा में एक ऐसा मुकाम हासिल कर लिया है जो इसे बोलचाल की भाषा में भारत में अब्बल तो बनाता ही है साथ में विश्वभर में भाषाई संवाद में भी इसने अपना झंडा बुलंद किया है क्योंकि आज भारतीयों की उपस्थिति विश्वभर में बढ़ी है। सोशल मीडिया की सबसे प्रमुख भाषाओं में अँग्रेजी के बाद हिंदी ही अपना वर्चस्व स्थापित करने में अग्रसर रही है। इसके मूल में जो सबसे प्रमुख बात है वह है हिंदी की सर्वग्राह्यता। अपने साथ विभिन्न भाषाओं के हजारों शब्दों को समेटने और उनका सरलीकृत रूप अपने लोगों के बीच में परोसने के गुण ने आज हिंदी को जन-जन की भाषा का दर्जा दे दिया है। ऐसे में आवश्यक है कि हिंदी की मानकता को कायम रखते हुए इसका सरल रूप लोगों के सामने रखा जाय ताकि प्रयोग में जो थोड़ी बहुत हिचक बनी हुई है, उसे दूर करके इस भाषा को शिखर पर स्थापित करते हुए एक बार फिर इसे हिंदुस्तान की सर्वमान्य भाषा का ताज पहनाकर इसे राष्ट्रीय एकता का सूत्रधार बनाया जा सके। इसलिए आज के बदलते परिवेश में हिन्दी भाषा शिक्षण का पूरा दारोमदार शिक्षकों के ऊपर है क्योंकि प्रारंभिक कक्षाओं से ही हिंदी के प्रति अधिगमकर्ताओं का झुकाव बनाए रखने में शिक्षकों को अधिक मेहनत करनी होगी।

दिल्ली पब्लिक स्कूल, रायपुर अपने छात्रों में हिन्दी के सरल, सर्वग्राह्य और स्वीकार्य भाषायी रूप के प्रति आकर्षण बनाए रखने हेतु समय-समय पर अनेक कार्यक्रमों का आयोजन कर अपने उत्कृष्ट भाषा शिक्षण कार्यक्रम को समृद्ध करने में कोई कसर नहीं छोड़ रहा है। विद्यालय के सभी शिक्षक-शिक्षिकाएँ हिन्दी भाषा अध्ययन को रोचक बनाने हेतु निरंतर प्रयत्नशील हैं। इस हेतु विद्यालय में निम्नलिखित कार्यक्रमों का आयोजन किया गया—

कक्षा छठवीं से दसवीं तक के छात्रों ने जनवरी माह में कक्षावार नाटकों का मंचन किया जिसके विषय उनकी पाठ्यपुस्तकों में संकलित विधाएँ रहीं। सभी छात्रों में वेशभूषा, संवाद और अभिनय का संगम करके पाठों को जीवंत बनाने में कोई कसर नहीं छोड़ी।

विद्यालय के छात्रों को हिन्दी में साहित्य सृजन को प्रेरित करने के उद्देश्य से कविता, कहानी, निबंध आदि विधाओं में लेखन कार्य करवाया गया और कक्षावार प्रतियोगिताओं के माध्यम से सभी छात्रों को गतिविधि में भाग लेने हेतु प्रेरित किया गया। छात्रों की कृतियों का प्रकाशन भी किया गया। छात्रों की रचनाओं को प्रिक्वॉशियन पेन्स (विद्यालय का वार्षिक काव्य संग्रह) में प्रकाशित किया गया।

‘वैश्विक सन्दर्भ और हिन्दी’ कार्यशाला की अग्रिम कड़ी को जारी रखते हुए हिन्दी विभाग द्वारा विद्यालय में ‘विज्ञापन कला’ विषय पर कार्यशाला आयोजित की गई। कार्यशाला के माध्यम से कक्षा छठवीं से दसवीं के विद्यार्थियों को आकर्षक विज्ञापन तैयार करने के तरीके सिखाए गए। विद्यालय के उपप्राचार्य श्री संजय कुमार सेनगुप्ता ने मुख्य वक्ता के रूप में छात्रों को विज्ञापन की बारीकियों से अवगत कराया।

“हिन्दी साहित्य की विरासत” विषय पर छात्रों ने संकाय पट (फ़ैकल्टी बोर्ड) को देश-विदेश में हिन्दी की विभिन्न विधाओं की रचनाओं से ऐसा सुसज्जित किया कि लोगों ने अनायास ही हिन्दी साहित्य के ग्रंथों और विषयवस्तु पर चर्चा प्रारंभ की और छात्रों के साथ-साथ शिक्षकों से भी हिन्दी साहित्य के महान चरित्रों जैसे गोबर, कैकेयी, गांधारी, सुनीता आदि के बारे में जानकारी ली।

विद्यालय की शिक्षिकाओं श्रीमती शीपी सिंह एवं मीनू श्रीवास्तव के मार्गदर्शन में छात्रों के एक समूह ने विद्यालय के छात्रों के लिए एकदिवसीय साहित्य सम्मेलन का आयोजन कर छात्रों की रचनाओं और तरुण छात्र साहित्यकारों को मंच प्रदान किया।

दोस्ती में दीवार

कैसी है यह दीवार जो हमें एक-दूसरे से अलग करती है
आखिर क्यों है यह दीवार?
जो एक दूसरे के बीच दीवारें खड़ी करती है।
जिस दोस्ती में कभी कुछ न छिपा
जिसमें बिना बात किए एक दिन भी ना गुजरा
फिर क्यों वह आज मुरझा-सी रही है?
हम तो एक-दूसरे के ज़िगरी दोस्त थे ना?
फिर आज क्यों वह दोस्ती हमें बाँट रही है?
वही हँसी, वही दोस्ती वही मस्ती सब वही है
फिर क्या है जो हमें पास आने पर डाँट रही है।
एक छोटी-सी दूरी, चंद मीटर की दूरी
हमें क्यों दूर कर रही है
मुझे लगता है हमारी समझदारी यह जुल्म कर रही है।
लेकिन कब इतने बड़े हो गए, समझदार हो गए
कि सब समझना पड़े।
समझ नहीं आता कि समझदारी अपने साथ पाट भी लाती है
और बनी बनाई दोस्ती को बाँट चली जाती है।
हँसी बँट गई, मुस्कान बँट गई, खुशी बँट गई, शान बँट गई
दोस्ती, दोस्ती ना रही एहसान बन गई
काश! एक बार फिर वैसे ही हो जाएँ
सब समझदारी हट जाय और नासमझ बन जाएँ।

IN LOVING MEMORY OF

Kallol BORAL

October 11, 1969 - March 04, 2023

Let's remember and celebrate the life of our dear Kallol sir, who left us midway. He was a kind, generous, and dedicated teacher who touched the lives of so many students and colleagues alike. His passion for teaching was infectious, and his love for his students was evident in everything he did. He was always willing to go the extra mile to help them succeed, both inside and outside of the classroom.

It is a testament to his skill as a teacher that so many of his students remember him fondly, and it is clear that he made a lasting impact on their lives.

We will miss his smile, energy, and enthusiasm for life. But we will always remember him as a person who made a difference, who believed in the power of kindness, and who touched the lives of so many.

Rest in peace, our beloved Kallol sir, you will be greatly missed.
